This matter comes before the Public Service Commission of South Carolina ("Commission") on the motion of the Town of Lexington ("Lexington"), an intervenor in the instant proceeding concerning approval of a contract submitted by Carolina Water Service, Inc. ("CWS"), for an extension of time to file its prefiled testimony and exhibits. By its motion, Lexington requests that it be allowed until Monday, January 22, 2001, to prefile its testimony and exhibits. Order No. 2000-1013 (dated December 18, 2000) established January 18, 2001 as the date by which Lexington had to prefile its testimony and exhibits. Lexington's request seeks five additional days to prefile its testimony and exhibits. By its motion, Lexington also informs the Commission that counsel for the Petitioner, CWS, does not oppose the motion.

Upon consideration of this request, the Commission finds good cause to grant the request for an extension for Lexington to prefile its testimony and exhibits.
